

City of West Peoria is Officially on the Simplicity Platform. Join Us Today!

The City of West Peoria is proud to announce a new cooperation with government technology startup Simplicity to improve communication with residents. Using the Simplicity app, you can quickly get all important community updates, announcements, and upcoming events. The application is free for residents and officially available for download from the App Store or Google Play Store via the link below.

The simplicity app does not require registration and does not collect any personal data. After installing the Simplicity app, you just need to choose your city, and then select topics of interest to receive personalized notifications.

The updates and announcements are published in real-time – you will be notified immediately if you have push notifications turned on.

Using the Simplicity mobile app will help you to stay informed and connected with the City of West Peoria by having all official community updates easily accessible in one place. For instance, you'll find out right away if a meeting has been rescheduled, which streets you can't park on because of street cleaning or snow ban, and many more useful updates.

Download the Simplicity app for the City of West Peoria now by following the link: <https://simplicity.app.link/west-peoria>

Feel free to share it with your friends, family, and neighbors!

Simplicity is committed to providing the best user experience by implementing the latest design and tech trends on the platform, and continuously improving its features. Your valuable feedback is more than welcome.
